Leaves are falling, trees are changing, and that means one thing; Autumn is here at Historic Hawes Farms and it's time for your favorite day of the year--Media Day! This year Media Day will be held on September 30th from 2 p.m. to 5 p.m.. Come on out and join us for helicopter rides and corndogs.

Can't make it? No problem. Here's a sneak peek at what's in store for 2022:

Hawes Haunts will be better than ever. Starting Friday and Saturday nights, customers can experience this with our Field of Terror Haunted Corn Maze, The Unknown Haunted Corn Maze, Sinister Workshop (A bone chilling walk-through experience) and lastly our Zombie Hunt Paintball Ride!

"We all have core memories from childhood either good or bad," said Greg Hawes. "It's our goal to make memories you will never forget. Whether you are a parent bringing your littles, or coming out for a date night, our farm is known for having rides with an old carnival feel to take us all back to the feeling of being a kid again. Experience the fun adventure by trying each of our rides."

We love to support our local senators, so on September 30th, from 6:00-8:00pm, we'll be hosting Senator Brian Dahle for Governor. Platinum level and higher donors will receive an exclusive helicopter ride over the corn maze. General admission is \$50, you can RSVP online at www.historichawesfarms.com

Hero's Weekend is right around the corner. We'll celebrate all hospital staff, firefighters, police officers, active duty military, and veterans on October 7th-9th. All first responders will enter the farm for free. We appreciate and honor our heroes who have put their lives on the line for their country and community. All other visitors are allowed in with a general admission ticket.

What comes to mind when you imagine Historic Hawes Farms in the middle of October? Pumpkins! That's right, October 15th-16th is our annual Pumpkin Fest! Bring your friends and family to grow memories this Halloween season.

Our Western Weekend is kicking off Friday October 22nd and Saturday October 23rd! Bring your best pair of boots and enjoy our rides, live entertainment, food, drinks, and much more!

We at Historic Hawes Farms are proud to host our Annual Taste of the Maize. October 29th, 2022, 3:00-6:00pm, come enjoy delicious food, food, wine, beer as you take a relaxing stroll in our daytime maze! We will have different vendors to choose from that cater to your liking!

"This year is going to be better than ever." said Greg Hawes, owner of Historic Hawes Farms. "We have new rides and new adventures for our customers to enjoy! We can't wait to see everyone."
